Parish Facility Usage – Policy and Rules

1. Subject to availability, Sacred Heart Parish Facilities will be available and priority given to parish organizations, parish-related organizations, parishioners, and non-parishioners as determined by the Pastor. The Pastor also has the authority to make the final decision regarding the leasing of the Religious Education Center (REC) and the Security requirements for all scheduled parish events.
2. Sacred Heart's Parish Facilities will be available to parish organizations at no charge for parish-sanctioned activities, meetings and other special events. Donations to be scheduled for personal business, fundraising (for non-parish-sanctioned activities) or partisan political activity.
3. Parish wide events, parish organization events, funerals and PSR activities will take priority over other proposed events. Special family events, such as weddings, anniversaries, reunions, etc. will be given next priority. In all cases the Pastor has the authority to make the final decision allowing an event to be held in parish facilities.
4. Each parish organization or individual (hereinafter referred to as the "Facility User") using the parish facilities will be responsible for the facility. Any damages occurring during the use of the facility, other than what is considered normal wear and tear, will be the responsibility of the Facility User. Inspection before and after the event will be conducted by a parish representative. The Facility User has the option of being present for both inspections. Parish facilities and premises will be required to be left in the same condition, at the end of the event, in which the Facility User is shown at the time of inspection before the event begins.
5. If inspection of the parish facility used shows no damages or required repairs or heavy commercial cleaning, the damage deposit will be returned to the Facility User within ten days of the date the event is held.
6. In the event that any damages occur during the use of the parish facilities which require repair, replacement or heavy commercial cleaning, the Facility User will be charged by the withholding of all or part of the original deposit. In addition, if these charges happen to exceed the original deposit, the additional amount will be presented to the Facility User along with an itemized list of necessary repair costs within thirty days of the event. Reimbursement of these costs to the parish is to be made directly to Sacred Heart Catholic Church at that time.
7. **INDEMNIFICATION** – The below named Facility User agrees to defend, protect, indemnify and hold harmless Sacred Heart Catholic Church & the Catholic Diocese of Wichita against and from all claims arising from the negligence or fault of the Facility User or any of its employees, agents, partners, family members, students, customers, function attendees, guests, invitees, organizational members or associates which arise out of the use of the facility.

The Facility User agrees to provide a Certificate of Insurance to the parish office within thirty (30) days of the scheduled event, which provides evidence of General Liability coverage of not less than one million dollars (\$1,000,000) per occurrence. The Facility User also agrees to have “Sacred Heart Catholic Church and the Catholic Diocese of Wichita” named as an “Additional Insured” on their General Liability policy for the date(s) of the facility use, in relationship to the event, for all claims which arise out of the Facility User’s operations or that may be brought against the Parish by the Facility User’s employees, agents, partners, family members, students, customers, function attendees, guests, invitees, organizational members or associates. Facility User also agrees to ensure that its liability insurance policy will be “primary & non-contributory” in the event of a covered claim or cause of action against the Parish.

If the Facility User fails to comply with the above paragraph, then the named Facility User agrees to protect, defend, hold harmless and fully indemnify Sacred Heart Catholic Church and the Catholic Diocese of Wichita for any claim or cause of action whatsoever arising out of or related to the usage which takes place during the identified event dates that is brought against the Parish by the Facility User or its employees, agents, partners, family members, students, customers, function attendees, guests, invitees, organizational members or associates, even if such claim arises from the alleged negligence of the Parish, its employees, agents &/or volunteers, or the negligence of any other individual or organization. This paragraph does not relieve the Facility User’s responsibility to comply with the above paragraph.

ALCOHOL USE GUIDELINES

Sacred Heart Parish wants to protect its facility, groups, organizations and individuals using the facilities at Sacred Heart Catholic Church, and to make events that are located on parish grounds safe and enjoyable for all. With this in mind, Sacred Heart Parish has set the following rules for use of alcohol, which all groups, organizations and individuals must observe and agree to.

1. The Facility User must agree to monitor alcohol by all guests attending the event. **AT NO TIME DURING AN EVENT WILL ALOCHOLIC BEVERAGES BE LEFT UNSECURED.** All alcoholic beverages will be removed from the facility by the Facility User at the time of the closing of the bar.
2. At any time alcohol is served at an event, the Facility User must pay for the hiring of security officers to be present at the event. (*See Facility Rules #9*)
3. Due to liability concerns and insurance carriers' requirements, the Facility User must designate one or more dependable professional or non-professional bartenders to monitor alcohol consumption by those attending your function. Under no circumstances are alcoholic beverages to be served to those under the age of 21, as required by law. The bartender shall not be allowed to consume any alcohol themselves, and must agree to refuse and/or not serve alcohol to those guests (even of legal age) who have obviously had too much to drink. It is in the best financial and legal interests of families or groups serving alcohol not to allow excessive drinking. Huge lawsuits have been successfully brought against individual families and/or groups hosting the party when alcohol-related road accidents follow an event.
If the bartender(s) are an organization that regularly provides services at Sacred Heart Catholic Church, all employees &/or volunteers MUST be in good standing with the Virtus Requirements of the Catholic Diocese of Wichita. Due to Virtus Requirements the names of all individuals in said organization must be submitted to the parish office for approval at least thirty (30) days prior to the event.
4. No individuals attending an event, will be allowed to bring any alcohol container onto the premises or into the REC. The only alcohol allowed to be brought into and consumed is to be supplied and brought in by the Facility User and distributed under the guidance of the Facility User. No alcohol is allowed to be taken outside the perimeter of Sacred Heart Hall including hallways, restrooms, parking lots or any other areas on the premises.
5. When an event is scheduled to last up to the required shut-down time of 11:00PM (this means that guests leave at this time and all the premises must be cleared by 11:30PM) the bar must close by 10:00PM. Events that are over before 11:00PM, the bar must close one hour before the event ends. At the time the bar is closed, all remaining alcohol is to be locked up in the room the serves as the bar serving area until it is removed when the event ends. Water, iced tea, coffee and soda may be made available to guests once the bar closes, but no alcohol.
6. The Facility User is responsible for keeping some type of snack (snack mix, crackers, popcorn, etc.) available during the dance event so that guest who do drink alcohol are not drinking on an empty stomach.
