Marian Room – Meeting opened by Marilyn at 4:31; Fr. Birket said opening prayer.

**Old Business**

Sunday adoration with WAM - beautiful - great turn out. More people than Oct. One comment was mentioned that it would be nice to have a 4th priest

Minutes from last meeting - any corrections? No. Accepted as approved - Julie will upload

**Confirmation**

Fr. has spoken with Sr. John Patrick - will use Sacred Heart Feast day Liturgy.  
Confirmed with Chris nothing more needed from PC for Confirmation.

**Anniversary Celebration**

Next day is anniversary celebration - he also spoke with Sr John Patrick and it is JUST an anniversary. Bishop will use Rite of Mass for Dedication of a Church.

Will just need to choose readings - maybe sub -committee - lectors, musicians, sacristans, etc.  
Fr. will do a liturgy committee to make decisions. (i.e. Wanda (ministry schedules), Sarah (sacristans), Sue (flowers) & Lori/Ann (music)?)

Angie - contacted Rays spoke about RSVPs. Needs initial count 2 weeks before event, but can take RSVPs up until a day or 2 before event. Final count is what we are billed on.

Menu: Smoked pulled pork & chicken as meat items.

Dessert: Ray's pricing is too high. Possibly buy cake from Artistic Cakes. It was suggested to look into Amy Marx - Carla Scheer's sister who does professional cakes or Joan Lane. Angie will talk to both about timing.

### **Parish clean-up**

Discussed need for an actual clean-up day. Calendars were reviewed and it was decided to do Saturday, May 5<sup>th</sup> to coincide with the Confirmation Community Service work day (Fr. Birket reminded all that those under age of 18 cannot be on ladders).

Julie will work on compiling a list of items that need to be done & will contact people who have helped in certain areas in the past (i.e. Becky Dugan – flower beds / Chuck Scheer – landscaping). We really should have committees that handle these items rather than Parish Council.

Julie advised boy scouts would like to provide a service to the parish as well. Fr. Birket said they could clean up leaves & sticks anytime.

Mike Seltenreich will take care of cleaning out gutters. May need to contact Steve Wappelhorst about sprinkler lines.

### **New Business**

Fr. happy to give a presentation on guidelines for Parish Councils from the Diocese at the next meeting. - 10-15 Minutes

Fr. Birket left approx 5:10 pm (no closing prayer said)

#### **Anniversary Playing Cards**

Reviewed by all remaining council members and after much discussion it was decided to not offer the playing cards for purchase. They don't fit the feel of the celebration.

#### **Priest Transition Ideas**

Marilyn suggested we just look at November/December minutes for transition ideas. She handed out copies of those minutes.

Christi Weber & Angie Konda left approx. 5:20 pm Meeting wrapped up about that time.
